Mixes and starter kits for quick breads, muffins, cupcakes, tea cakes and ice cream sundaes included, there's something for everyone at [The Invisible Chef](#).

In addition, The Invisible Chef recently partnered with [Jelly Belly](#) to create the candy company's first line of baking mixes, which includes flavors such as Candy Cane Swirl Cake and Hot Chocolate Donuts. The line will be sold at specialty retail stores and online in Fall 2016, just in time for the holidays.
